

UC San Diego  
HEALTH SCIENCES

UCSD – Department of Pathology  
**Pathology Research Lecture Series**  
**Fall 2017**

**Mondays, 4:00 p.m. – 5:00 p.m.**  
**Leichtag Biomedical Research Building - 1st Floor, Room #107**

**September 11**

**Steven Gonias, MD, PhD**

UCSD – Department of Pathology

*"The Fibrinolysis System in Innate Immunity and the Response to Injury"*

**September 14 (Thurs, 12PM-1PM)**

**Yvonne Eisele, PhD**

Scripps Research Institute – Department of Molecular Medicine

*"Discovery and Characterization of Pathogenic Transthyretin (TTR) Oligomers in Amyloid Disorders"*

**September 18**

**Chengbiao Wu, PhD**

UCSD - Department of Neurosciences

*"Axonal Dysfunction: an Early Cellular Pathology Underlying Neurodegeneration"*

**September 25**

**Guo-Min Li, PhD**

University of Texas Southwestern – Department of Radiation Oncology

*"DNA mismatch repair in cancer susceptibility and therapy"*

**September 28 (Thurs, 12PM-1PM, CNCB)**

**Xu Chen, PhD**

UC San Francisco – Gladstone Institute of Neurological Diseases

*"Role of p300 in Tau Pathogenesis: Acetylation, Autophagy and Metabolic Connection"*

**October 2**

**Shizhen (Emily) Wang, PhD**

UCSD – Department of Pathology

*"Local and systemic effects of cancer: role of extracellular miRNAs"*

**October 9**

**Demetrios Braddock, MD, PhD**

Yale University – Department of Pathology

**October 16**

**Jesse Dixon, MD, PhD**

Salk Institute – Helmsley-Salk Fellow

*"Identifying 3D chromatin structural alterations in cancer genomes"*

**October 23**

**Seema Aceves, MD, PhD**

UCSD – Department of Pediatrics

*"Eosinophilic Esophagitis- "Mechanisms and Impacts of Tissue Remodeling"*

**October 30**

**Farnaz Hasteh, MD**

UCSD – Department of Pathology

*"Discrepancies and Errors in Cytology Cases with Emphasis on Recognizing the Sources of Errors: an Interactive Approach to Prevent Mistakes"*

**November 6**

**Nicola Allen, PhD**

Salk Institute – Laboratory of Molecular Neurobiology

*"Astrocyte regulation of neuronal function"*

**November 13**

**Howard Feldman, MD, FRCP(C)**

UCSD – Department of Neurosciences

*"Therapeutic Progress in Alzheimer's Disease: Recharting Course"*

**December 4**

**Jonathan Lin, MD, PhD**

UCSD – Department of Pathology

*"Genetic Variation of Protein Quality Control in Human Disease"*

The University of California, San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of California, San Diego School of Medicine designates this educational activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity. **OBJECTIVES** Examine current research development and integrate informed clinical decisions based on research outcomes. Implement basic sciences and clinical science simultaneously in medical education programs. Discuss responsible and balanced debate on conventional and controversial research influencing the field of health sciences. Evaluate and examine total human condition through basic and clinical science research studies. For Information, contact Andrea Bribiesca/E-Mail: [anbribiesca@ucsd.edu](mailto:anbribiesca@ucsd.edu)
