UCSD – Department of Pathology
Pathology Research Lecture Series
Winter 2016
Mondays, 4:00 p.m. – 5:00 p.m.
Leichtag Biomedical Research Building - 1st Floor, Room #107

January 11
Christopher K. Glass, MD, PhD
UCSD – Department of Cellular & Molecular Medicine
“Exploring What Macrophages are ‘Thinking’ in Health and Disease”

January 25
Gerald Morris, MD, PhD
UCSD – Department of Pathology
“Dual Receptor T Lymphocytes as Selective Mediators of Post-Transplant Immune Responses”

February 3
Hanna Mikkola, MD, PhD
UCLA - Department of Molecular, Cell & Developmental Biology
“Uncovering the Path to Blood Stem Cells”

February 8
Paul E. Wakeley, Jr., MD
Ohio State University - Department of Pathology
“Soft Tissue Cytopathology: The OSU Experience”

February 22
Jay Desgrosellier, PhD
UCSD – Department of Pathology
“Harnessing Insight from Mammary Stem Cells to Combat Aggressive Breast Cancers”

February 29
Vivian Hook, PhD
UCSD – Department of Pharmaceutical/Pharmaceutical Science
“Role of Cathepsin B in Neurodegenerative Diseases as a Drug Target: Alzheimer’s Disease and Traumatic Brain Injury”

March 7
Eyal Raz, MD
UCSD – Department of Medicine

March 14
Mark Fuster, MD
UCSD – Department of Medicine
“Modifying the Immune Landscape in Lung Cancer”

March 21
Nissi Varki, MD
UCSD – Department of Pathology
“Caveats in the Interpretation of Models of Human Disease”

March 28
Alexandra Newton, PhD
UCSD – Department of Pharmacology
“Reversing the Paradigm: Protein Kinase C as a Tumor Suppressor”

April 4
Richard Gallo, MD, PhD
UCSD – Department of Dermatology
“Skin is an Immunological Superorganism”

April 11
Mark Tuszynski, MD, PhD
UCSD – Department of Neuroscience
“Growth Factor Gene Therapy for Alzheimer’s Disease”

April 18
Dianne McKay, MD
UCSD – Department of Medicine
“Role of Innate Immunity in Ischemic Renal Injury; Focus on Kidney Transplantation”

The University of California, San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of California, San Diego School of Medicine designates this educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. OBJECTIVES Examine current research development and integrative informed clinical decisions based on research outcomes. Implement basic sciences and clinical science simultaneously in medical education programs. Disseminate responsible and balanced debate on conventional and controversial research influencing the field of health sciences. Evaluate and examine total human condition through basic and clinical science research studies.
