

# UCSD – Department of Pathology Pathology Research Lecture Series Winter 2017

Mondays, 4:00 p.m. – 5:00 p.m.  
Leichtag Biomedical Research Building - 1st Floor, Room #107

January 9

**Kevin Shannon, MD**

UC, San Francisco – Department of Pediatrics  
*“Targeting Aberrant Ras Signaling in Cancer”*

January 23

**Wendy Frankel, MD**

Ohio State University Department of Pathology  
*“Mismatch Repair Deficient Colorectal Carcinoma and Lynch Syndrome”*

January 30

**Rob Knight, PhD**

UCSD – Department of Pediatrics  
*“The Human Microbiome in Health and Disease”*

February 6

**Ze’ve Ronai, PhD**

Sanford Burnham Prebys Medical Discovery Institute  
*“Linking the Microbiome and Immune Checkpoint by the Ubiquitin Ligase RNF5”*

February 27

**Mark Valasek, MD, PhD**

UCSD – Department of Pathology  
*“Stomach Bugs and Jelly Bellies: Anatomic Pathology as a Foundation of Personalized Medicine”*

March 6

**Mark H. Kaplan, PhD**

Indiana State University – Departments of Pediatrics,  
and Microbiology and Immunology  
*“Development and Function of IL-9-secreting T Cells”*

March 13

**Richard C. Friedberg, MD, PhD, FCAP, MHCM, CPE**

University of Massachusetts Medical School-Baystate – Department of Pathology  
*“Advancing and Securing the Future of Pathology”*

March 20

**Erkki Ruoslahti, MD, PhD**

Sanford Burnham Prebys Medical Discovery Institute  
*“Disease-specific Molecular Markers in Blood Vessels: Target Molecules for Drug Delivery”*

March 27

**Isaac Pessah, PhD**

UC, Davis – Department of Molecular Biosciences  
*“What’s Hot in Malignant Hyperthermia”*

April 3

**Dong-Er Zhang, PhD**

UCSD – Department of Pathology  
*“The Protein ISGylation System in Cancer Related Immune Responses”*

April 10

**Gabriel Haddad, MD**

UCSD – Department of Pediatrics  
*“Genetic Mechanisms of Human Adaptation at High Altitude: An Experiment in Nature”*

April 17

**Jeff Neul, MD, PhD**

UCSD – Department of Neuroscience  
*“Rett Syndrome: Genetics, Pathophysiology, and Approaches to Treatment”*

The University of California, San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of California, San Diego School of Medicine designates this educational activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity. **OBJECTIVES** Examine current research development and integrate informed clinical decisions based on research outcomes. Implement basic sciences and clinical science simultaneously in medical education programs. Discuss responsible and balanced debate on conventional and controversial research influencing the field of health sciences. Evaluate and examine total human condition through basic and clinical science research studies.
