

Pathology

Assistant, Associate, or Full Professor (HS Clinical, Clinical X)

The [Department of Pathology](#) at the University of California, San Diego School of Medicine, is committed to academic excellence within the faculty, staff, and student body, and is seeking pathologists to work in conjunction with the VA. The Department of Pathology plays a key role in the University's three missions. It aims to achieve the highest standards in patient care, research, and education. The Department provides diagnostic pathology services in a wide variety of subspecialties with highly trained subspecialists who are recognized for their expertise. Its educational mission encompasses teaching medical students, residents, fellows, and other trainees, fostering the next generation of pathologists and scientists. The Department's research programs are diverse and interface with a wealth of basic and translational research programs that are a hallmark of UC San Diego.

To be considered for this appointment, candidates must also apply at the [VA](#).

Candidates must have an MD or equivalent.

Candidates must have or be eligible for a California medical license or equivalent certification/permit as determined by the Medical Board of California.

Candidates must be board-certified in Anatomic Pathology and/or Clinical Pathology at the time of hire.

The appropriate series and appointment at the Assistant, Associate, or Full Professor level will be based on the candidate's background and experience.

A link to full descriptions of each series is provided for your review:
